Dear Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with Applicant's duty under 37 C.F.R. § 1.56 and 1.97, Applicant hereby submits

the attached form PTO-1449 (modified) which lists art cited. The art listed therein, while of some

relevance, is not necessarily considered to teach or suggest any aspect of the invention described and

claimed in the above-identified patent application. This statement is also not to be construed as a

representation that no better art exists. Rather, this statement discloses only the best art of which the

Applicant is aware.

In considering the art set forth below, it may be noted by the Examiner that certain of the references

may contain markings, underlinings or other notations. These markings or notations are not to be construed

as drawing the Examiner's attention either to selected parts or away from other parts of the references.
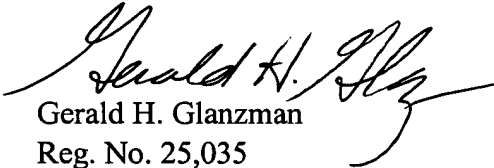

Any such markings were either present on the copies of the references obtained by Applicant, or were made thereon during the study of the references by the Applicant and/or his attorneys.

The Examiner is respectfully requested to consider each of the cited references, indicate such consideration by initialing each reference on the enclosed Form PTO-1449 (modified) and return a copy of the same with the next communication to the Applicant. For the convenience of the Examiner in considering the references, copies of the cited references are enclosed with this communication.

CERTIFICATION

The undersigned certifies that each enclosed document was cited in a communication from a foreign patent office not more than three months prior to the filing of this Supplemental Information Disclosure Statement.

Respectfully submitted,

Gerald H. Glanzman
